**Tour Edge Lift-Off**

**FEATURES & KEY BENEFITS** • Delivering exceptional distance and control, the Lift-Off 6A4V titanium driver boasts a 460cc head for a higher moment of inertia and increased forgiveness on off-center hits. • The driver's deep face and heavy sole create a deeper, lower center of gravity so your tee shots fly higher and longer than ever. • The oversized, stainless steel Lift-Off fairway woods provide a huge sweet spot for incredible forgiveness. • The fairway's sole design creates a minimal contact point to keep the head square at impact, even in the thickest rough. Lift-Off iron sets come standard with hybrids in the 4 through 6 irons, and wide-soled undercut cavity irons in the 7 through Sand Wedge. • Easy to hit, the stainless steel Lift-Off hybrid has a deep center of gravity and a low profile that makes hitting shots from tight lies or thick rough easier. • The 7-SW oversized irons boast extreme perimeter weighting and an undercut cavity that helps move the center of gravity back and away from the face for higher flying, more accurate shots. The Lift-Off putter features a high MOI design that keeps the putter head square and online throughout the entire stroke. • The Lift-Off cart bag features 6 spacious pockets including a velour-lined valuables pocket. The bag also features full-length dividers and a rain hood
